

Dear Parents/Guardians

Aspens Services provide the catering services to all schools and academies across the Lighthouse Schools Partnership. Aspens is dedicated to creating menus which are nutritional, varied and representative of our pupil population and the menus feature a broad selection of meal options, including vegetarian and vegan choices, school meal favourites as well as meals inspired by different cultures.

Meal Pricing

From 1 September 2025 the price for a school meal will be increasing to £2.80. We understand that any increase in expenses can be a concern for families, and we want to assure you that this decision has been made after careful consideration, recognition of the steady rise in food inflation and a thorough review of operating costs.

There will be no change to the meal ordering process and the online ordering systems will automatically reflect the price increase.
