

Your Local Governing Board (LGB) is looking to expand, and we need you!

As governors we support and make a vital contribution to both schools in our collaboration. We work closely with the Head Teacher on the strategic direction of the collaboration and ensure the vision and values bring a distinct Christian ethos to both schools. School leaders are accountable to governors for the provision of high-quality education to all pupils and the effective performance management of staff, and to represent the voice of the community. As governors we also oversee the financial performance of the schools.

We welcome applications from anyone invested in the schools and the communities we serve; currently we are particularly looking to recruit adults living in the community. No prior experience is necessary as training on all areas of governance will be provided.

If you'd like to discuss this further, please feel free to contact our joint chairs Gill Stobart or Charlotte Seavill
