

Weekly Newsletter

ISSUE 31 - WC 12.06.2026

Congratulations to our Stars of the Week, Head Teacher's Award winners, and those who have achieved great accomplishments in their after school activities over the last two weeks.

Celebration Assembly

This term, our school value is Perseverance.

The following children received our perseverance awards this week.

Hedgehogs - Billy for persevering with his fine motor skills (particularly his drawings) over the year and creating a beautiful picture of a pigeon.

Foxes - Sevvie, for doing so well in his science work this week and for persevering throughout.

Squirrels - Lacey for persevering and working really hard with her maths.

Otters - Charlie for not giving up and persevering and showing great progress.

READY, RESPECTFUL AND SAFE

A huge congratulations to our children who are great examples of being ready, respectful and safe in school. They are always ready to learn and help others, respectful towards staff and their friends and behave consistently well in the classroom and the playground. They enjoyed a hot chocolate and a biscuit with Mr Harvey and were given a special badge to wear today.

Doodle Maths

Wow, what incredible streaks achieved in Doodle Maths, Year Five are this week winners!

Keep up the amazing work everyone!

A huge thank you to all the children in Year Six for their hard work and dedication. We are delighted to say that they have all achieved the age-related expectation in their moderation assessments.

We would also like to say a big thank you to Year One, who did brilliantly in their Phonics Check, and to Year 4, who performed exceptionally well in their Multiplication Tables Check.

Mr Harvey was delighted with the perseverance shown by all of you. Your commitment, determination, and hard work should be highly commended.

FOLLY FARM

The visit to Folly Farm on Monday was a great success. The children had a wonderful time searching for minibeasts, pond dipping, and working in groups to present their findings about pond life to their peers.

When speaking to the children, many said they particularly enjoyed observing the dragonflies, newts, and pond snails, and were excited to catch one or two in their nets so that they could observe them more closely.

All creatures were carefully returned to their natural habitat afterwards.

POLICE VISIT

On Tuesday afternoon, Otter class had a visit from two Community Police Support Officers. The aim of the visit was to build trust, inspire students, talk about the role of the police and encourage students to reflect on their own behaviour.

The interactive talk covered age-appropriate topics like the age of criminal responsibility, how to call for help in an emergency, what activities are legal/illegal and online safety.

Charlie said "I really enjoyed the activity where we thought about the difference between just breaking a rule and breaking the law."

HAVE FUN!!

We would like to wish all of Otters a great time on their residential trip next week. We will miss you, but we look forward to hearing all about your adventures when you return!

Have a fantastic time and make lots of wonderful memories.

Essential Dates

Monday 15 June - Friday 19 June - Otter Class Residential

Monday 29th June Sports Day 1:15 Playing Field
