Dear parents,

Re: Year 4 Multiplication Tables Check

This year, Year 4 children will sit a statutory test in June, 'The Multiplication Tables Check'. This is an online, timed test which will assess your child's recall of times tables / multiplication facts (up to 12 x 12).

In order to prepare for this test, children should continue to practice times tables at home, including Times Table Rock Stars, and we will continue to practice at school. In addition, children will also do practice tests online at school. It would be really useful if they could practice these online tests at home as well. There are a number of free tests available, including Timestables.co.uk and Mathsframe.co.uk (see links below).

You can find further information in the leaflet attached and also online from Oxford Owl, which includes useful resources and links.

Please contact me if you have any questions.

Best wishes

Mrs Banks
