East Harptree End of Term Message from Mr Harvey

It has been a very busy term with lots of exciting, active and memorable events for the children. We started the term with the village pancake races and ended it this week with a wonderful whole school Easter walk through the Combe. The children were so well behaved and supportive towards each other and clearly loved exploring the woods with their friends.

I know how many of you have appreciated coming back into school for parents' meetings and curriculum events such as the Science Week exhibition. Thank you for all your supportive comments and messages. I would also like to say a huge thank you to our fantastic, caring staff team for all their dedication and resilience this term.

Have a lovely Easter holiday and we look forward to seeing all the children, refreshed and ready for new exciting learning and events next term. We return on Monday the 25th of April.

Easter Craft Competition

The decorated eggs and Easter themed items were all very lovely and so much time and care had obviously been put into crafting them.

Congratulations to Arlo, Eleanor B, Thomas Br and Josephine on winning their class entries.

A special mention goes to Rory for considering the Christian story of Easter in his artwork.

Well done everyone involved and thank you Ewan for coming up with the idea. The total raised so far is £105 and more fundraising activities are planned by the children for next term.
