PARKING

Thank you all for parking and driving considerately in the Village, especially when using the Pub car park

The East Harptree Flower Show programme competition!

All we need is a painting or drawing, in whatever medium (crayon, felt tip, colouring pencils – even digitally on the computer or iPad). And, following the wildflower campaign taking place in the village, it should be inspired by the phrase:

The busy bees of East Harptree

Please make the pictures the size of A5, portrait – NOT landscape.

If creating images digitally, please try to make the resolution 300 dpi.

The deadline for entries is 18 May 2021.

Please take pictures of the images (as high res as possible), or just send over digital files to d.bowie-sell@hotmail.co.uk

ROAD CLOSURE AT BOTTOM CROSSROADS

The main B3114 from Litton to WH will be closed across the crossroads on May 18th and 19th, Tuesday and Wednesday next week 7am to 7pm. Please allow extra time if travelling by car.

Flower Power Project

The school flowers are coming along nicely!

Chew Valley Area Forum Climate & Nature Emergency Working Group

are looking for solutions to reduce our carbon footprint. They have created a **Valley Wide Transport Survey** for households to complete, which will be open until 26th May 2021.

The Chew Valley has not been prioritized for any new shared transport solutions and so we need to make our voices heard now or we may be overlooked.

They want to reach out to every demographic in the community and so are asking for your help in both completing the survey with your household yourself and also sharing it with others by email, social media and word of mouth. It can be completed via this link:

<https://www.surveymonkey.co.uk/r/ParishTransportSurvey>

or if people are unable to access it this way they can call Village Agent Anne-Katell Peton 07827526695 who will arrange for it to be completed over the phone.
